

STANDARD MOTOR PRODUCTS, INC.

Independence, Kansas

Lead-Free Compliance Information

Dear Supplier;

Recent directives established by the European Union, End-of-Life Vehicles (ELV), Restriction on Hazardous Substances (RoHS) and Waste Electrical and Electronic Equipment (WEEE), have placed significant limitations on the use of lead within our products. Standard Motor Products, Inc. (SMP) is responding to these requirements and requires all suppliers of product and material to the Independence, Kansas facility to conform with supplying material free of all lead and lead contaminants. To ensure product you supply is compliant, please complete the information below and return the completed form to: Standard Motor Products, Inc., Attn: Lead-free Coordinator, 1300 West Oak, PO Box 788, Independence, Kansas 67301 or Fax at (620) 331-2351 or (620) 331-1422.

Thank you in advance for your timely response.
