## Standard Motor Products Releases 245 New Parts for Standard<sup>®</sup> and Intermotor<sup>®</sup>

**NEW YORK, N.Y., April 26, 2017** - Standard Motor Products, Inc. (SMP) announces the addition of 245 new part numbers to its Standard<sup>®</sup> and Intermotor<sup>®</sup> lines. The release spans 40 product categories and expands coverage through the 2016 model year by more than 99 million VIO.

### Featured Part: Upgraded Diesel EGR Cooler Kit

The highlight from Standard's latest release is an upgraded Diesel EGR Cooler Kit for Ford<sup>®</sup> 6.0L Power Stroke<sup>®</sup> engines. Featuring an upgraded 20 spiral tube design, Standard's ECK1 Diesel EGR Cooler provides OE-matching cooling efficiency while preventing OE issues of clogging and leaking. To learn more, watch the latest installment in Standard's "A Closer Look" series on [www.youtube.com/standardbrandparts](http://www.youtube.com/standardbrandparts).

### More Line Expansions

Additional highlights include the release of 17 new VVT solenoids and 3 new VVT sprockets, which increases SMP's VVT line to more than 230 total part numbers. Other notables include 67 ABS speed sensors, 24 combination switches, 11 fuel vapor canisters, 8 canister purge solenoids, and 6 ignition lock cylinders.

Phil Hutchens, Vice President Engine Management Marketing, SMP, commented on the release, stating, "Our upgraded Diesel EGR Cooler Kit exemplifies our innovative manufacturing solutions to OE problems, and our commitment to comprehensive diesel coverage."

All new applications are listed in the eCatalogs found at [www.StandardBrand.com](http://www.StandardBrand.com) and [www.IntermotorImport.com](http://www.IntermotorImport.com) and in electronic catalog providers.

Standard<sup>®</sup> offers premium engine management related products, including computerized engine controls, TPMS sensors, and fuel injection components for domestic vehicles. Intermotor<sup>®</sup> offers a full line of genuine import products that are unrivaled for their superior quality, original match and comprehensive coverage.
