

STANDARD MOTOR PRODUCTS, INC.

1300 West Oak Street, P.O. Box 788, Independence, Kansas 67301 (620) 331-1000

Dear Supplier,

In accordance with ISO requirements, all materials used in part manufacture shall satisfy current governmental and safety constraints on restricted, toxic and hazardous material; as well as environmental electrical and electromagnetic considerations applicable to the country of manufacture and sale. We must have a process to assure that governmental and safety constraints on these substances are complied with relative to purchased products and the manufacturing process. *Suppliers must provide a current SDS for each part purchased that is toxic or hazardous material.*

Please sign this form stating that you, as a supplier to Standard Motor Products, Inc., Independence, KS, are in compliance with all local, state, and federal governmental regulations and *that SDS sheets will be provided with first shipments or existing material already supplied to Standard Motor Products*. Please verify for any materials that you now, or may in the future, supply to this location. Please return to fax number (620)331-1422/ (620)331-2351.

Sincerely,

Company
